Minimal Naturale R10 Rett.

The Unique Travertine collection has been expanded with the introduction of the new 160x160 large size, 9 mm thick, in the Naturale surface, available in Minimal White and Minimal Cream variants. This important new addition is accompanied by the Lappato Antique finish, available in 120x120 and 60x120 sizes, 9.5 mm thick, in the same Minimal White and Minimal Cream patterns. Thanks to DIGI-TOUCH technology, the pattern and three-dimensional structure merge in perfect synchrony, creating textured, realistic surfaces with a strong visual impact.
